FOREWORD

This year, when the students of HPHS returned from their summer vacation, they discovered that the new wings which were started in 1949 had been completed and numerous improvements had been made to other sections of our building.

We, of the 1951 Highlander staff decided that it would be a good thing to preserve for you in the 1951 yearbook, the following scenes of our new sections. We hope that you, as builders of the future, enjoy this tour through the new portions of dear old HPHS as much as we have enjoyed guiding you on this tour.

A great moment — Mr. D. W. Simmons presents a diploma to his son, Marshall.

Big moments in lives of the January class members.

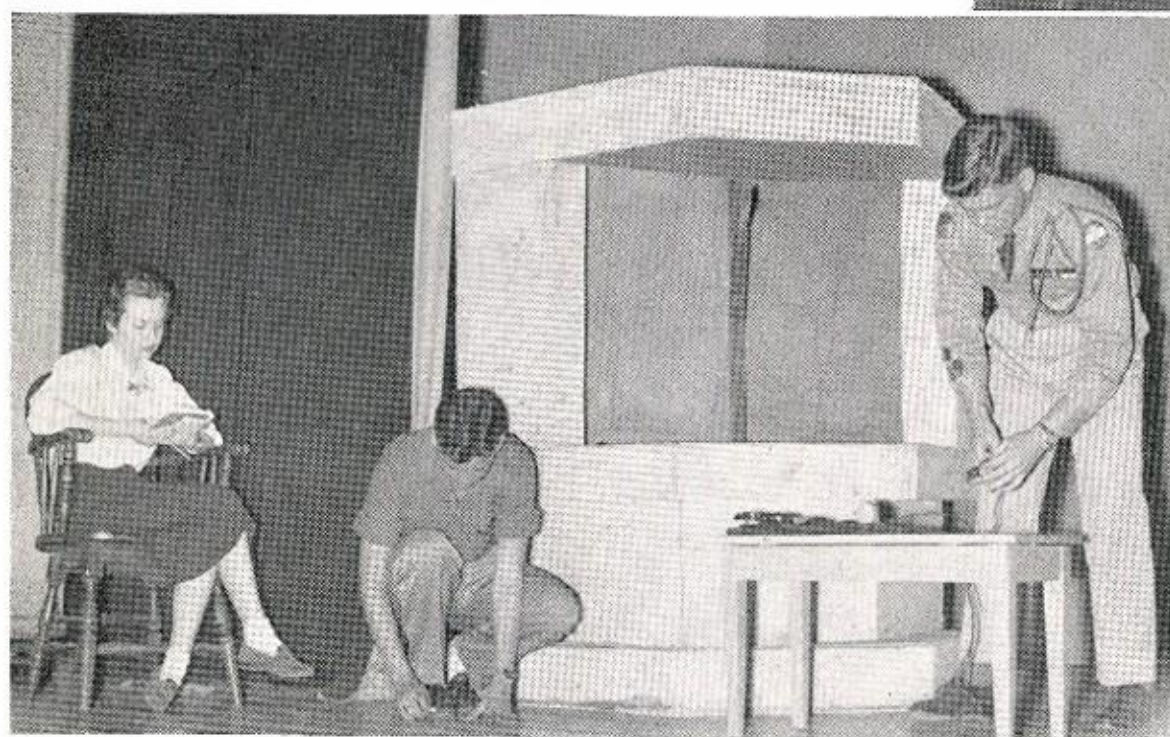

Cynthia, Bruce, H. D., Sue Ann, and others in the cast of "Stardust" during a more serious moment in the production.

"Descend! Destroy! Hehabilitate!", shouts Mr. Bach alias Bruce Jones.

June class revels in "A Connecticut Yankee in King Arthur's Court."

With most of the expression down pat, next comes learning the lines.

The people in charge of props have a job and a half for the "Connecticut Yankee" set.

John, Tom, Joe, Molly, Harryette, Mary, Frances, Pat, and George take part in a banquet scene rehearsal.

Merlin, alias Tom Gale, shouts threats as King Arthur, otherwise known as Joe Elliott, grabs Mary Frances in a big scene of "A Connecticut Yankee in King Arthur's Court."

Student Council

"Gee, what are all of those people going into that room for? Don't they know they should be in their first period classes?" Such a comment has probably come from several new students at Highland Park when they have seen the Student Council about to go into one of its weekly thirty-minute sessions. In such a short time what can fifty or sixty students from different rooms accomplish? Just listen and you will see. The Council helps to build school spirit and inter-school relations, which include the sale of rooters' caps to loyal Scots, the sending of friendship teams to other schools, and the sponsoring of dances after home football games. It keeps an accurate file of all schedules for student use and publishes annually a complete student directory. Also each spring it sponsors school-wide elections. The project this year is to send two French war orphans, twins, through school for a year, at an expense of \$300.

National Honor Society

"Who are the 'lucky' members of the National Honor Society?" Luck has very little to do with membership in this elite organization. On the basis of outstanding scholarship, leadership, service, and character, the faculty decides who are to be honored with membership. Each semester approximately three percent of the 3A class, seven percent of the 4B class, and fifteen percent of the 4A class can be elected. A low honor roll average for a semester automatically brings a student's name up for consideration. It is the privilege of all National Honor Society members to serve as ushers at special assemblies and senior activities. Keeping the activity cards of all Highland Park students up to date is another big job for the members. To the boy and girl of the graduating class receiving the highest achievement scores during the high school years, the National Honor Society gives the coveted "H" Blanket Award.

Malcolm and Martha are the two proud recipients of the Blanket Award.

Hi-Lites

There is only one club at Hi Park that bars boys to its entrance—that is our Hi-Lites Club. Each fall and mid-term, the Friendship Committee does a wonderful job of helping the new transfers and 2B's get acquainted around Hi Park. Another committee is the Program Committee, which plans the meetings that are held each Tuesday at activities period. The Social Committee is responsible for the dances and parties that they have during the year. Some of the more talented members are on the Bulletin Board Committee. They make the posters to keep the girls informed about the meetings and various activities. The Ex-Student's Committee keeps a record of every girl who graduates from Hi Park. Along with their fun, welfare work is included. The Welfare Committee sends girls to the Mexican Mission every Saturday to assist in the work there.

Another job of this committee is to sponsor a rural school through the Save the Children Federation. One of the busiest is the Red Cross Committee, which sends boxes overseas, gives food to the underprivileged, and entertains veterans in hospitals. A Religious Focus Week is planned jointly by the Hi-Lites and Hi-Y. For this, an officer of each club is in charge each day.

Hi-Y

"To create and maintain throughout the school and community, higher standards of Christian character"—reads the motto of the Hi-Y club. This organization, an established Highland Park boys club for twenty-eight years, is sponsored by the YMCA. Its continuing popularity is due to the varied types of programs and activities planned. A Monday morning meeting could find a minister, lawyer, or magician holding forth from the auditorium stage, or perhaps a sports film or musical show being presented. Each year seven delegates are sent to Austin to participate in the Youth and Government Conference. The club also does welfare work in connection with the Red Cross. In October they are co-sponsors with Hi-Lites of Religious Focus Week. Two of the school's most important social functions are the fall semi-formal and spring formal given by Hi-Y.

Bob, Hayden, Roland, Victor, Frank, Willis, Phil, Jim, and Michael make plans for the Hi-Y Legislature.

Miss Moore and several members of the Round Table, Terry Hendrix, Carol Ring, Charles Lloyd, and John Urquhart discuss Public Relations pro and con with Mrs. Alma Scruggs.

Time out for discussion of spooks and goblins.

The Round Table

In Highland Park we have an organization to provide a place for informal serious discussions. It is, of course, the Round Table. The learned Scots devote sixty minutes of their time each week to exciting discussions and attempt to come to intelligent decisions. Participants must have clear, quick minds that are readily adapted to different points of view. They must be willing to spend time on accumulating knowledge for the problem to be discussed. Open-mindedness and the willingness to consider all sides of a question before reaching a decision are the main characteristics of these tribunes. These discussions, while sponsored by Miss Moore, are led by various students.

Quill and Scroll

When Hi Park received a charter from the national headquarters of Quill and Scroll in 1936 and was definitely organized in 1937 by Miss Margaret Wasson, the club for busy-as-beaver journalists became part of our school. To be eligible for membership, according to the constitution, a student must be at least a junior, in the upper third of his class scholastically, have done superior work on either the Bagpipe or Highlander, and be recommended by the adviser of the publication on which he worked. The club formerly published the Kiltie. Meetings are now held once a month with sponsor, Miss Mary Stewart—the purpose of these meetings is to raise the standards of journalism at Hi Park. At the candlelight service new members are presented with the symbolic gold pins, and light their individual candles from the taper of truth. Members also receive the Quill and Scroll Magazine every other month.

Noel Coward's biting satire, Maxwell Anderson's lofty speeches, Shakespeare's immortal words—all live again in the Dramatics Club "ham" sessions. Candidates for membership in the Thespian Thirty are picked by the executive board in bi-annual tryouts. To retain eligibility for the club, each student must participate in at least one program a semester. These programs may include anything from an original skit to a scene from a longer play. Everyone is busy doing something different at the Art Club meetings.

The Art Club

Each Tuesday afternoon the Hi Park building is deserted except for a group of people in the art room. What are they plotting? Why do they have a look of intense concentration on their faces? Well, they are budding Picassos and Rembrandts of the Art Club, discussing the decoration for the Queen's court at the Music Festival or some other important art activity, for which they are responsible. Through an art service committee, this club takes charge of the art display cases; assists with decorations and stage sets; produces posters, and lends its talents to various other school needs. At the meetings, the members may work in medium of their own choosing. Each year they buy two original prints by top flight American Artists; their collection now totals twenty beautiful prints. Once a year everyone in the club dresses in his Sunday best for a semi-formal dinner. Also, in the spring, the members enjoy a picnic. Thanks to Miss Nancy Ella Dial, the sponsor, the Art Club is a wonderful part of the extra-curricular activities of Hi Park.

Art Club officers, La Vern Olney, Barbara Tyson, Claire Heitt, Evadelle Haney, and Jeanne Norsworthy, set up an art display in the new showcase.

Junior Historical Society

When you talk about history in Highland Park High School you always think of either Mrs. Miller or the Junior Historical Society. This organization spends the year not delving into the Rome of the Caesars, but into the past of Texas, Dallas County, and the City of Dallas. Every historian eagerly awaits the annual meeting in April of the Texas Historical Society in Austin. Highland Park sends representatives who submit articles for publication in "The Junior Historian," the society's official publication. The winning articles are first read to the Convention. It is in thinking about others that the J.H.S. hits its high point. This Christmas the club adopted a rural school of Brazos County. Each of the twenty-eight students was sent an individual package. Our local gettogethers are usually the third Friday in each month.

TRAVEL CLUB

You do not have to have a magic carpet to see the world if you travel via Hi Park's Travel Club. Members visit a different spot each month by means of illustrated talks or movies on foreign countries. When Mrs. I. O. Miller decided in the fall of 1936 the school needed a club for students interested in learning about other countries, the club came into existence. In fourteen years it has grown to be Hi Park's third largest club, surpassed only by the Hi-Lites and Hi-Y. Besides globe trotting, the travelers do social service work in the form of parties among the underprivileged groups.

Lads and Lassies

Follow the Lads and Lassies to one of their early morning practices. It seems they are rehearsing for one of their many programs, such as school assemblies, religious programs, commencement exercises, or some civic club. Why, no, it looks as if it is for one of their many out-of-town performances. Another of their many activities is their participation in the operetta directed by Miss Flora Lee Pope, Mrs. Edna Mae Conner, and Miss Helen Moore. They also take a very active part in the annual Highlander Music Festival. How do you like the new robes the Lassies are sporting this year? The money for them was earned by the group during the magazine drive. Of course, the Lads and Lassies have some parties where their many soloists and quartet singers show off.

Highland Park's Orchestra in its entirety — All dressed up with plenty of places to go.

Orchestra

Gone are the days of weird tones issuing from the dark basement, for the orchestra has moved itself, instrument case and music rack, to the "music hall" addition on the second floor. There the members practice industriously on all types of music from "Slaughter on Tenth Avenue" to the "Nordic Symphony." Music hath charm to soothe the savage beast, and Hi Park students too. The Orchestra's assemblies are among the most popular. These merry musicians also play for graduation, the operetta, civic clubs, and radio shows. Each spring, as part of the Music Department, they sponsor the Music Festival and prepare a special concert. In February, fifteen representatives went to Texas Music Education Association Convention in Galveston. They spent three days playing and contesting with other performers from all over the state. Three times a year the group takes time off to entertain itself (for a change) with a barbecue, or picnic, and a banquet honoring its Senior members.

Mary Frances is crowned at the special assembly after Sam announced the results of the election. Never to be forgotten scene of the pageant — the World War II Iwo Jima flag raising. Clinics held during the Music Festival give the musicians the finer points of their study.

During the sixth annual Highlander Music Festival some 2,000 boys and girls from Texas, Oklahoma, and Missouri were very busy. These boys and girls represented orchestras, bands, and choruses which participated in workshops, clinics, rehearsals, and concerts. They also performed for distinguished music adjudicators who criticized them on

their performances. This year's pageant was written by the 12A English class as their English Script project and presented on Friday night by the pupils of the different schools in the Highland Park District. Her Majesty, Mary Frances, of the house of Myers, chosen by her loyal subjects, ruled during the Festival.

Who's stalking who this time?

SCOTS TRIP TECH 19-6

The mid-century edition of the Highland Park Scots sporting a crushing ground attack swamped the Wolves 19-6. In the first quarter, before 8,000 fans at Dal-Hi Stadium, Tim Guthrie blasted center for the first of three Scottie touchdowns. A pass, Bowers to Bernet, who

lateraled to Deaner Woodruff, accounted for the second score. A blocked punt set up the final tally; John Roach carrying over from the one. Al Oppel's fine defensive play stood out during the game.

Terrible Tim starts on another of his ground gaining sprints.

AERIAL GAME PLASTERS PASCHAL 27-7

The unwinding of Malcolm Bower's good right arm and the terrific play of End Ed Bernet proved too much for the boys from Cowtown. Displaying true "All State" form, Easy Ed Bernet set up one touchdown on a recovered fumble, caught a pass for a score himself and set up a third touchdown with a 47 yard gallop. Deaner Woodruff caught two touchdown passes while Jimmy Robertson accounted for the other score with a plunge from the two. Guthrie converted on three out of four chances.

Dave Webb barely makes it over for a touchdown.

BLOCKED BY THE BEARCATS

A highly underrated Sherman eleven knocked the Klansmen from the select circle in a hectic game, 19-12. Missing numerous scoring opportunities, the Scots were fighting at the final gun. Bower's passes to ends Dave Webb and Jay Fikes accounted for our only tallies. Cruger Ragland's fine play stood out in the line while Jim-Bo Robertson was outstanding in the backfield.

An unidentified Scottie bullies his way across the goal.

FOURTH QUARTER PASS EDGES WACO 13-7

A fourth quarter rally enabled the Golden Avalanche to get back on the winning trail as they edged Waco Tigers 13-7. Malcolm Bower's pass to end Jay Fikes was the play that sent the fighting Scotties into the lead. Content with a scoreless tie at the half-time, the Blue and Gold were not to be denied. Tim Guthrie's 40-yard runback of an intercepted blocked punt produced the first score. Gene Arnett, Al Oppel, Jim Robertson, and Ed Bernet stood out for the Scots on the defensive.

PLAIDSMEN BUFFALO THE BISONS 14-6

This game featured a battle between Tim Guthrie of the Scots and John Marshall of the Bisons on the ground and Macolm Bowers of the Scotties and Joe Boring of the Bisons in the air. The Bisons almost pulled the game out of the fire by firing a touchdown pass on the final play of the game; however the score was nullified on a Sunset penalty.

AERIALS DEFEAT RAMBLING COYOTES 20-12

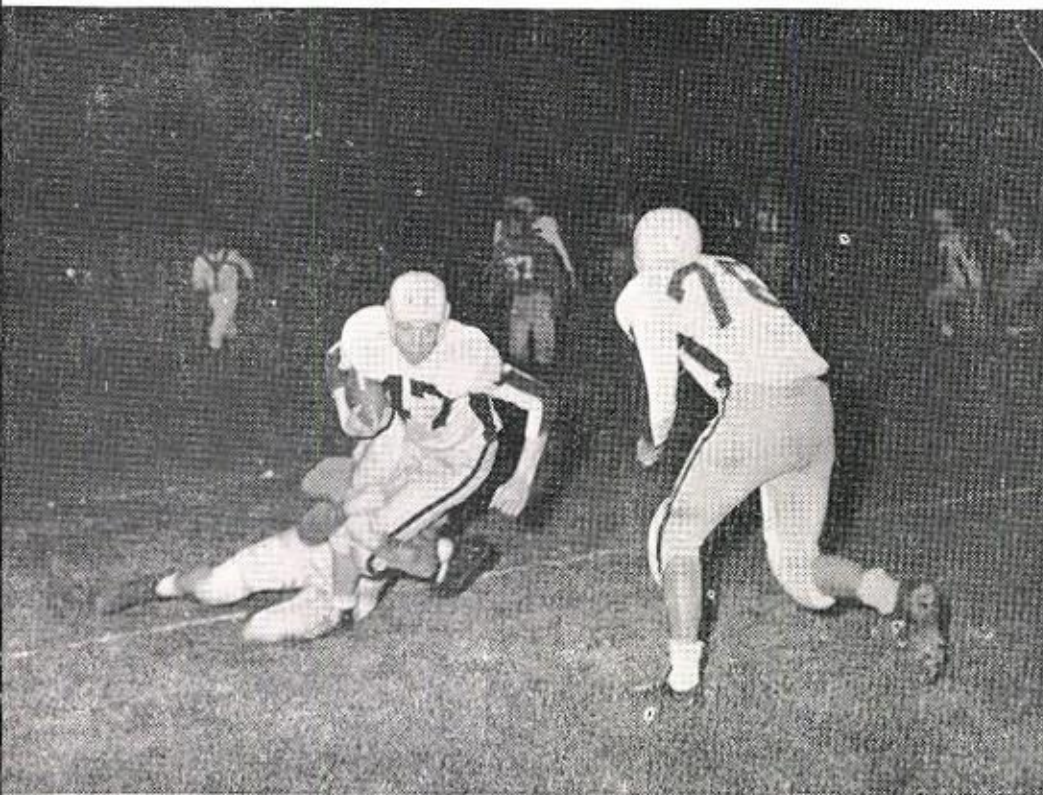

Malcolm Bowers passed the Highlanders to a victory against the devastating ground attack of the Wichita Falls eleven. All of the game's scoring was made during the wild first half. The Scots opened up a bizarre passing attack in the last few minutes of the first half for the clinching score.

Long John Roach gets aid from Bob Ulmer in the Grand Prairie tilt.

KILTIES EXPLODE IN THE SECOND HALF; BEST TYLER 26-6

Held to a 6-6 tie in the first half by a supercharged Tyler eleven, the Highlanders exploded in the second half to stamp Tyler 26-6. The second half, played by an inspired Scot eleven, was featured by an intercepted pass made by Bill Belcher for a touchdown.

Hard running Jim Bo Robertson wiggles away from an intended tackler.

PUSH-BUTTON WARFARE

Championship bound Scots, playing ball as if the coach had a set of push-buttons, rolled over the hapless Denton team 20-0. The Scottie backfield rambled for 340 yards during the game. Avalanche scrubs played the rest of the game in fine form.

Neither the itcy wind nor the Lions could stop Deaner Woodruff today.

Bulldozing Ken Hemple evades half of the Bearcat team.

GOPHER FUMBLES AID SCOTCHMEN IN 21-13 WIN

The Blue and Gold, capitalizing on two Grand Prairie fumbles, came from behind to defeat an inspired Gopher team 21-13. In the second half the Scotties cut loose to score their remaining tallies, while the bruising line savagely rushed and smothered every Gopher threat.

"Everybody tries to get into the act."

NORTH WIND AND SCOT LINE BEAT McKINNEY 32-0

The ram-rodging line of the Scotsmen overpowered the McKinney Lions to capture the tenth consecutive district championship for the Klan from Hi Park. The Scot line displayed its polished form when End Jay Fikes broke through the Lion forward wall to steal the pig-skin and ramble goalward for the final Scot touchdown.

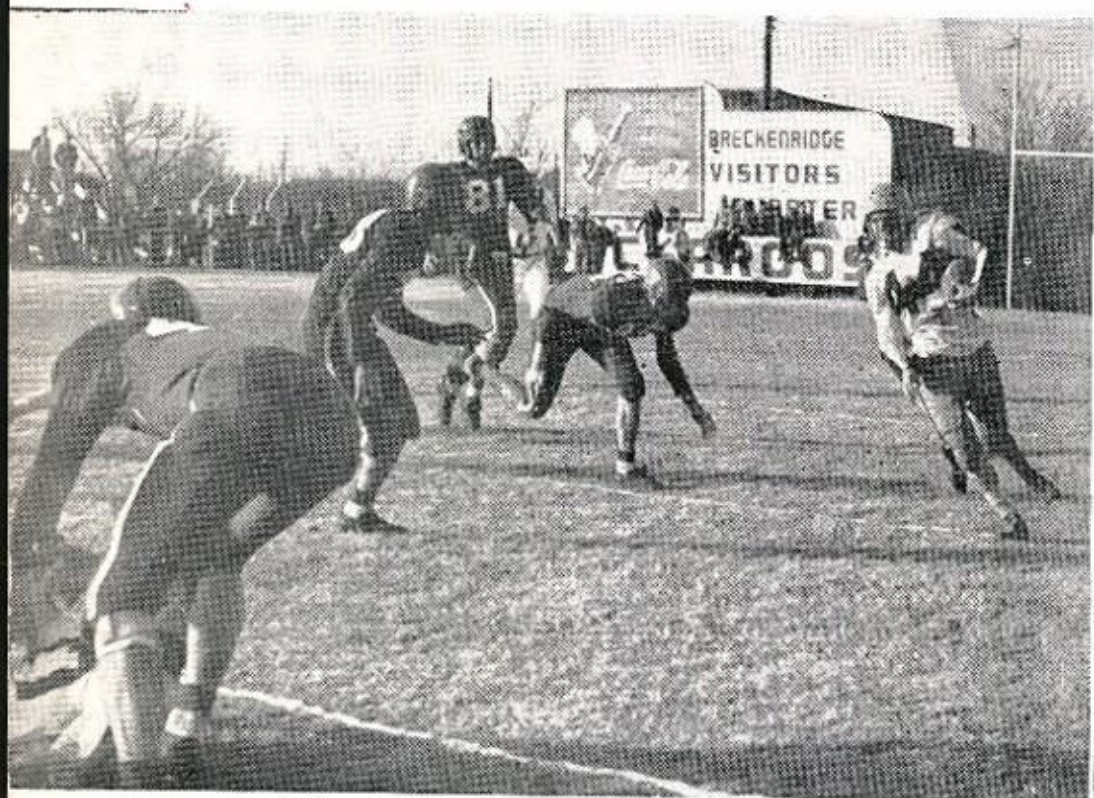

All-State Ed Bernet makes another of his prize catches.

REVENGE IS SWEET, HIGHLANDERS BLAST BEARCATS 20-6

Spurred on by the bruising play of a stout forward wall, the offensive running of Deaneer Woodruff, and Ed Bernet's sticky fingers, the Scots stopped Sherman 20-6. Mal Bowers, Dave Webb and John Roach

made the Scottie touchdowns while Bob Ulmer, Al Oppel, and Jim McCammon sparked the defense. Webb's touchdown, with but thirteen seconds remaining in the first half, came as the result of Jim Robertson's fine passing arm.

Ah! Ah! Ah!, Don't touch that ball.

BLUE AND GOLD BLASTS BUCKS 13-0

Scoring in the first quarter the Scots gathered steam to roll back the last unbeaten, untied team in the state 13-0. The boys from Breckenridge could not cope with the fine line play of Jim McCammon, Al Oppel, Ed Bernet and Gene Arnett. Bowers' passing arm once again accounted for both Scot touchdowns. Mal hit Ray Redman and Ed Bernet for the markers. Jimmy Robertson's terrific running featured the ground attack.

This is what we call "bulldogging" in these here parts.

HI PARK RALLY FALLS SHORT, COYOTES WIN THRILLER 34-27

Playing an inspired, not to be denied, brand of football in the second half, the Blue and Gold scored twenty points before falling on the last play of the game. Before the largest crowd of the season the razzle

dazzle pass patterns of the Coyotes proved too much a handicap for the Scots to overcome. Trailing 27-7 at half-time, Mal Bowers put the Golden Avalanche back in the game, with touchdown heaves to Dave Webb and Ed Bernet. Moments later Bernet scored on an intercepted pass to tie up the score. A Robertson to Fikes pass accounted for the first Scot marker. Sophomore John Beasley made good on three out of four conversions. Despite the loss, the Highlanders ended with an envious record of eleven wins and two losses.

"Peaches" Oppel spins a yarn at the football banquet.

Setting out for another hard game, the Scots get ready for the long trudge to Breckenridge.

BASKETBALL

Playing inspired basketball throughout the year, Highland Park's 1951 basketekers fought their way to the quarter-finals in Class AA. It was the third consecutive year the team had journeyed to Austin. The Scot quintet started the season fast to hold first place in the state standings at mid-season. Lead on by the owl-like eye of Arthur Barnes and the great defensive play of Ed Bernet and Charles Anderson, the Scots were unbeatable. Not to be denied was the consistant floor work and play making of Ronnie Jones and Stewart Carrell. Another constituent of the team, which was shown throughout the season, was the truly, great spirit of the entire squad. Still more help came from the strong support of the reserves, who were sparked by hustling Charlie Holland, Don Morton, and Charlie Fraser. The Blue and Gold also had a sixth man on the court at all times. He was Ralph Binnion, coach, whose untiring efforts resulted in the fine seasons showing of the pointed-court men. The Golden Avalanche took the District title with only one loss. The bi-district games with Sherman, however, proved to be the best of the

year and the Scots were victorious in both attempts. The season record of 19 wins and 6 losses stands out as a fine tribute to a great coach and a swell bunch of boys.

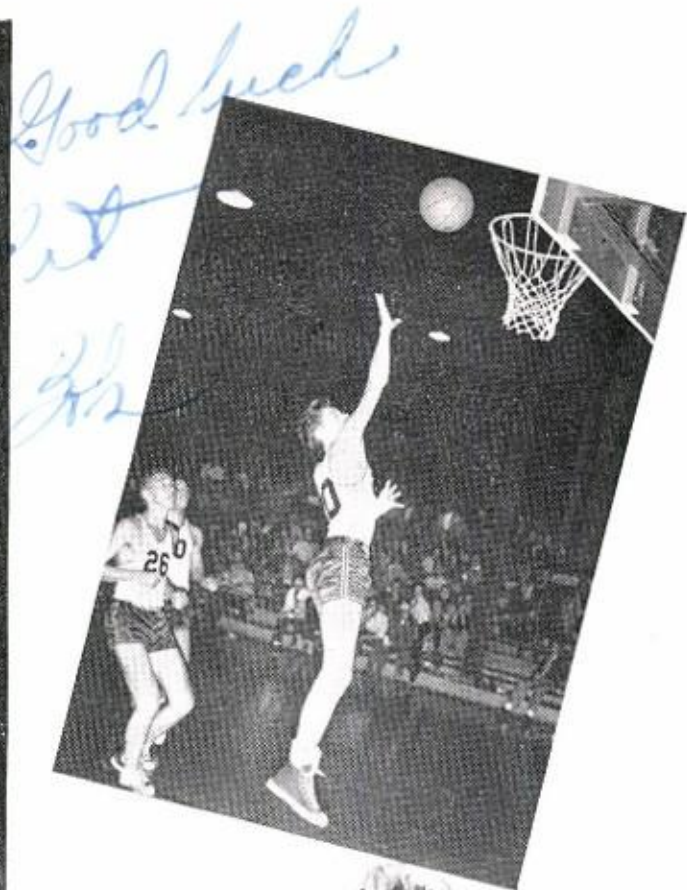

Starters, Stewart Carrell, Ronny Jones, Arthur Barnes, Charles Anderson, Ed Bernet, have a little confab with Coach Binnion.

Aquatics

When our new coach, and one of our ex-es, Robert M. Hill, took over the training of the 1951 swimmers, he found a record number — twenty-one — aspirants. Returning lettermen were Ed Johnson, Phil Paul, Pat Ptrick, Dave Pfeiffer, Dick Snelling, and Ed Bernet. An innovation begun by Coach Hill was the holding of several duel meets with other high school and college freshmen teams, in order to give training to an almost inexperienced team. Winners of the Southwestern Interscholastic Swim Meet 1948-'50, state winners in 1948, runners-up 1949, '50, third in South Texas AAU, and first in Southwestern AAU in 1948 are among the enviable goals for this year's group. We are basing our hopes for success in the state meet on individuals such as Ed Bernet, 50-yd. free champ, Pat Patrick, and others. Lettermen who are graduating are Pat Patrick, Wynne Snoots, Phil Paul, Dave Pfeiffer, and Ed Bernet.

Girls' Sports

(1) "How many points do we have? (2) Do we have to dress? (3) What's my locker combination?" To an outsider — that is, anyone who has never been a student in the girls physical education department of Hi Park — these questions would only create a maze of confusion, resulting in the following answers: (1) "One on each side of your head. (2) Please do. (3) Couldn't say off hand, but the F.B.I. might know." But for a Highlander Lassie, seasoned in the invigorating atmosphere of the girls' gym, these are just every-day queries.

In order to try to explain, let us take you on a brief tour of the year's activities. First on the schedule is the girls' version of that mild boys' sport — football. This is that amazing creation known as speedball. Since one sport alone does not try all of one's true athletic abilities, this combination of football, basketball, and soccer aims to please all. The equipment necessary is not elaborate, consisting of eleven girls, a soccer ball and two goals. The difficulty comes when all these things clash in the battle to kick or throw the ball between the opponents' goal. The result of scoring is not only two points, but also a case for the doctor.

Now as we are convalescing from speedball, we watch the other teams play tenniquoit indoors. The rules of this are similar to volleyball, but points are scored by the skillful handling of a small, rubber ring, which is hurled back and forth by two teams.

This fast life slows down during the next six weeks period to the routine of conditioning (re-habilitating) exercises. As we perform our exercises to the enchanting beat of a tom-tom, hips melt away, ankles grow slimmer, and soon even Betty Grable will have nothing on us.

The fall semester comes to a close with the all-time favorite basketball. The first few days are spent re-learning all that has been forgotten since the year before. Then our skills are put to a rigid test as six guards and six forwards exhaust themselves in a fight to the finish on half the space usually allowed for such tactics.

In the spring a young girl's fancy lightly turns to thoughts of — oh

well — volleyball. This game is the tall girl's delight as she spikes the ball over the net into the surprised arms of her shorter opponent. In this sport too, "teamwork" is the key which unlocks the door for the winner of the class tournament.

Our baggy, patched, faded — BUT CLEAN — gym suits are given a new lease on life during the next six weeks. They are gaily adorned with the red and black rags — oops — pinnies, which distinguish the boys from the girls as they "swing grandma and the sweet lil' gal from Arkansas." Folk tunes are also part of our "dance routine."

"This game is strictly for the birds." Yes, girls, we mean badminton. Although usually a game for single opponents or for teams of two, at Hi Park a larger team is required to retrieve the more ambitious birdies from the rafters. While two teams stay in the gym following the pursuits of the "rackets," where do you think the other four teams are? Listen closely and far in the distance you will hear a chorus of "Take me out to the ball game." This announces the arrival of the other girls at the softball diamond, where our future Babe Ruths sharpen up their batting eyes.

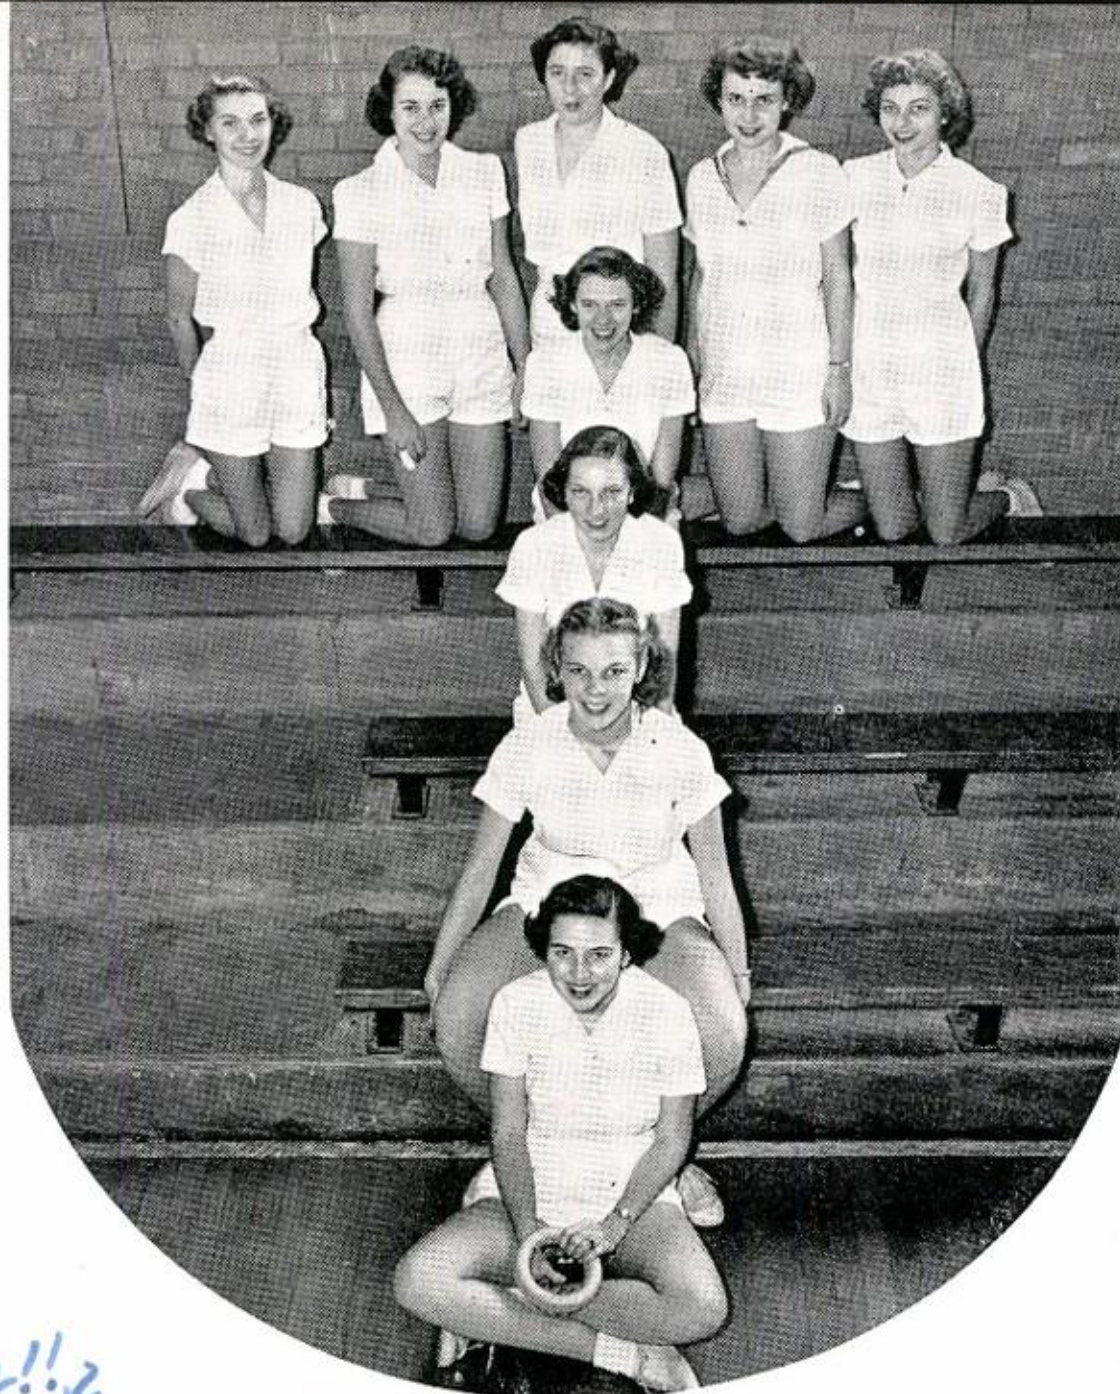

If you think our sports end at four o'clock, as the academic subjects do, you are in for a surprise. Thrills are provided for still another hour as intra-murals get under way. Any girl in school may enter the fun either in the Monday-Wednesday or Tuesday-Thursday league. The championship between the two leagues is determined by an exciting playoff. The outcome of the basketball championship is witnessed by the entire student body in a special activities program. In addition to intra-murals, class tournaments and all-star competition are held.

All this elaborate sports program would be impossible without the untiring efforts and patience of our gym teachers, Miss Gynne Watson and Mrs. Jack Berry. They have taught us not only skill in athletics, but an appreciation of good sportsmanship, and the truth of the saying — "It is not if you won or lost, but how you played the game." May we briefly, but sincerely say — "Thanks for everything!"

Reserve Officers' Training Corps

Our Highland Park unit of the ROTC is a regiment of the 4305th division of Texas. The Dallas unit consisting of seven Dallas high schools is under the command of the Professor of Military Science and Tactics, Colonel Kirk P. Brock. The object of the Highland Park unit is not only to broaden the military knowledge of the individual but to teach him discipline and leadership in peace time as well as during war. This unit is under the direct leadership and direction of Lt. Com. Floyd

Hightower (U.S.N.R.), his assistant Major Newman F. Casey, and the attached army personnel. A significant reason for the highly rated unit as Highland Park's is the spirit and competition between the cadets to go to the top. The ROTC Band under the direction of Col. Instructor Burroughs has striven for the utmost in maintaining the standard Tuesday parade and formal occasions as reviews and inspections.

The Band

One could not have gone to the Highlander Music Festival without noticing the spectacular accomplishments of the Highlander Park Senior High Band. Not only were they the Royal Musicians to Queen Mary Frances I of the House of Myers, but they were the source of the wonderful school spirit at Hi Park pep rallies. To the laymen of Highland Park, the Band is known chiefly for its beautiful music, attractively arranged, and expertly directed. Yes, even their exacting director, Col. Emerson

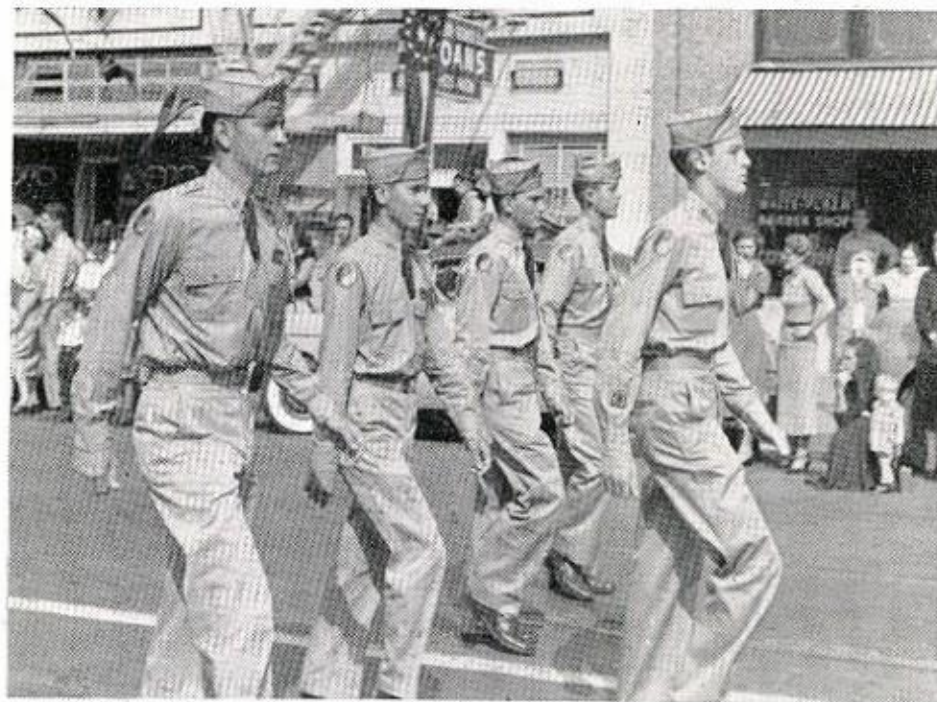

J. Boroughs, can be well pleased with the Band's successes, accomplishments, and rightful praise in 1950-51. In this small space we can name but a few of the Band's accomplishments. They played in football games at Sherman, Breckenridge, Tyler, Denton, McKinney, and Waco. In playing at assembly concerts the band appeals directly to the student body. A number of band members eagerly await the summer when they go to Camp Dallas or Camp Pacific for instruction, fun, and experience. However, being a band member is not all work. In the full year of engagements they squeeze in a delightful banquet at the Dallas Country Club. The band also had a wonderful time while camping and picnicing overnight at Lake Dallas.

Dear Patsy!
 It's been so nice to be a friend of yours
 in the past. There are some people we will never
 forget - and you are one of those. So I hope this
 graduation won't be a permanent separation and
 maybe we'll meet again. Good luck and best
 wishes always, Bill Shaver

Let us autograph your book, too!

Looks like Bill
 said just a lot
 and I'll say very little
 and tell you that you
 mean swell and that
 always remember you!
